

## M.Y. AQUA PRINCESS

V & A Marina  
Cape Town  
13 March 2020

### **To Whom It May Concern**

Dear Sir/Madam,

This letter serves to confirm that **John William Spencer Jooste** was employed on a part-time basis from 09 March 2020 to the 13 March 2020 on M.Y. Aqua Princess at V & A Marina, Cape Town, South Africa.

M.Y. Aqua Princess is a 58-foot Princess Motor Yacht operating in and around the Cape Town area for private purposes.

**John** was a great benefit to me in that I was able to delegate and leave him unsupervised to carry out the tasks assigned to him. I was extremely impressed with the processes and application, as well as his work-ethic during his time on board. He was a punctual, meticulous and an organised worker.

His daily tasks included: polishing, detailing all areas on the exterior, applying product knowledge of correct products on various surfaces. I believe if he maintains the effort and positivity he showed during his time on board, he will be a great asset to any yacht as an entry-level crew member, eventually progressing to a professional, well-rounded senior crew member. During his time on board, he has proven himself to be trustworthy, responsible and a pleasure to have around.

**John** has been a pleasure to work with; he has a super attitude, shows initiative and a natural aptitude. He enjoys being challenged and has no qualms taking on any job that he is assigned to. His work ethic and enthusiasm are phenomenal, and I can see him succeeding in this industry. I look forward to seeing where his career will take him, and any yacht will be lucky to have him.

For any further information or a verbal reference, please feel free to contact me.

Kind Regards,

**Andre Greeff**
