To Whom It May Concern

This is to confirm that **Spencer Jooste**, holder of Italian passport No YB0424356, was employed on board m/y Symphony as temporary Deckhand from 5th of January until 3rd of February 2021.

He was hired a day before the start of a busy 2 weeks charter (to cover for urgent medical leave of one of our deckhands) followed by a week owner's trip. Being completely new to the industry, with very limited previous boat experience in general, he somehow managed to keep up with the rest of the team. He has the positive attitude, and he never complained about long working hours or any of the boat rules.

As character, he is a bit shy, and needs some time to find his place, which is understandable due to the lack of experience.

In case you need further information on his performance, do not hesitate to contact me on any of the contacts below.
